CHINA GRENTECH SCHEDULES 2008 THIRD QUARTER EARNINGS RELEASE FOR THURSDAY, NOVEMBER 13, 2008

**Earnings Conference Call to be held on Friday, November 14, 2008
at 5:00 am (Pacific) / 8:00 am (Eastern) / 9:00 pm (Beijing/Hong Kong)**

SHENZHEN, CHINA — October 29, 2008 — China GrenTech Corporation Limited (NASDAQ: GRRF, “the Company”, or “GrenTech”), a leading China-based radio frequency (“RF”) technology and product developer and a leading wireless coverage product and services provider, today announced that it will release unaudited financial results for the third quarter ended September 30, 2008 after the US market closes on Thursday, November 13, 2008.

The earnings release will be available on the investor relations page of its website at: http://www.grentech.com.cn/en/Earnings_Announcements.asp.

Following the earnings announcement, GrenTech senior management will host a conference call at 5:00 am (Pacific) / 8:00 am (Eastern) / 9:00 pm (Beijing/Hong Kong) on Friday, November 14, 2008 to discuss its 2008 third quarter financial results and recent business activity. To access the live teleconference, please dial 1 800 299 7635 (US), 800 96 3844 (Hong Kong) or 1 617 786 2901 (International), and enter the passcode “GRENTEHCALL.” Please dial in approximately 10 minutes before the scheduled time of the call.

A replay of the conference call will be available through 11:00 pm (Eastern) on November 20, 2008 by calling 1 888 286 8010 (US) or 1 617 801 6888 (International) and entering the passcode 73141965.

A live webcast of the conference call and replay will also be available on the investor relations page of GrenTech’s website at: http://www.grentech.com.cn/en/Earnings_Announcements.asp.

About China GrenTech

China GrenTech is a leading developer of radio frequency (“RF”) technology and product developer and a leading wireless coverage product and services provider in China. The Company uses RF technology to develop and manufacture wireless coverage products, which enable telecommunication operators to expand the reach of their wireless communication networks both indoors and outdoors, including buildings, highways, railways, tunnels and remote regions. China GrenTech provides wireless coverage services, including the design, installation and warranty services for its coverage products.

Based on its in-house RF technology platform, the Company also develops and produces base station RF modules sold to base station manufacturers. China GrenTech is a qualified supplier of RF modules to several major base station manufacturers and the major supplier of RF modules for Huawei Technologies and ZTE Corporation. For more information, please visit <http://www.grentech.com.cn>.
