

## **GRENTECH WAS HONORED BY SHENZHEN MUNICIPAL GOVERNMENT AS NO. 1 KEY PRIVATE ENTERPRISE**

SHENZHEN, CHINA — August 27, 2007 — China GrenTech Corporation Limited (NASDAQ: GRRF, “the Company”, or “GrenTech”), a leading China-based wireless coverage products and services provider and radio frequency, or RF, technology and product developer, today was honored by Shenzhen Municipal Government as No. 1 key private enterprise among local electronic and information industry peers, Mr. Yingjie Gao, Chairman and CEO, on behalf GrenTech, attended the ceremony and received the award and certificate from government officials.

One hundred and eleven private enterprises were honored this time, including Huawei Technologies Co. Ltd, ZTE Corporation, Skyworth Group Co. Ltd., BYD Company Ltd., and A-Best. Those winners were selected from over 200,000 local private enterprises due to their technology innovation, scale of economy, fast growth, technology know-how, brand recognition, leading market share and social contribution.

Mayor Zongheng Xu participated the meeting and delivered important speech. He emphasized that the government would provide full support to those outstanding private enterprises and help them to grow faster and stronger.
