**CHINA GRENTech CORPORATION LIMITED
SCHEDULES 2007 FOURTH QUARTER AND FULL YEAR EARNINGS RELEASE**

**Earnings Conference Call to be held on Friday, April 18, 2008
at 8:00 am (Eastern) / 5:00 am (Pacific) / 8:00 pm (Beijing/Hong Kong)**

SHENZHEN, PRC — March 25, 2008 — China GrenTech Corporation Limited (NASDAQ: GRRF, “the Company” or “GrenTech”), a leading China-based radio frequency (“RF”) technology and product developer and a leading wireless coverage products and services provider, announced that the Company will release unaudited financial results for the fourth quarter and the full year ended December 31, 2007 after the US market close on Thursday, April 17, 2008. The postponement of the fourth quarter and full year 2007 earnings announcement is due to the adoption of a new ERP system which was put in place to improve the Company’s financial controls, compliance processes and ultimately reporting efficiency.

The earnings release will be available on the investor relations page of the Company’s website at www.grentech.com.cn.

Following the earnings announcement, GrenTech senior management will host a conference call at 8:00 am (Eastern) / 5:00 am (Pacific) / 8:00 pm (Beijing/Hong Kong) on Friday, April 18, 2008 to discuss its 2007 fourth quarter and full year financial results and recent business activity. To access the live teleconference, please dial 1 617 213 8060 (US), 800 96 3844 (Hong Kong) or 1 866 825 1709 (International), with passcode GRENTechCALL. Please dial in approximately 10 minutes before the scheduled time of the call.

A replay of the conference call will be available through 10:00 am, Friday, May 2, 2008 Eastern Time by dialing 1 888 286 8010 (international callers use 1 617 801 6888) and entering the following code: 15195783.

A webcast replay of the conference call will be available on the investor relations page of GrenTech’s website at www.grentech.com.cn.

About China GrenTech Corporation Limited

GrenTech is a leading radio frequency (“RF”) technology and product developer and a leading provider of wireless coverage products and services to telecommunication operators in China. The Company uses RF technology to design and manufacture wireless coverage products, which enable telecommunication operators to expand the reach of their wireless communication networks to indoor and outdoor areas, such as buildings, highways, railways, tunnels and remote regions.

Based on its in-house RF technology platform, the Company also develops and produces base station RF parts and components sold to base station equipment manufacturers. GrenTech is a qualified supplier of RF parts and components to six major base station equipment manufacturers such as Huawei Technologies, ZTE etc. For more information, please visit GrenTech’s website at www.grentech.com.cn.
